## About Us

# 3,000,000,000

That's the number of people who live with little-to-no gospel access right now. They don't have a church in their neighborhood. They've never met a Christian. They will be born, live, and die without ever hearing the good news about Jesus. This is a tragedy. But it's one God is fixing. At *Embark*, we're honored to partner with men and women called by God to work

among Unreached People Groups. God promised to bless all nations through Abraham (Genesis 12:3), and he's been faithfully doing so, moving toward the glorious day when some from every tribe and tongue will worship around his throne (Revelation 7:9). We're thankful for his faithfulness and overjoyed to engage in his mission. [Learn More](#)
